The Tyger

Tyger! Tyger! burning bright
In the forests of the night,
What immortal hand or eye
Could frame thy fearful symmetry?

In what distant deeps or skies
Burnt the fire of thine eyes?
On what wings dare he aspire?
What the hand dare seize the fire?

And what shoulder, & what art,
Could twist the sinews of thy heart?
And when thy heart began to beat,
What dread hand? & what dread feet?

What the hammer? What the chain?
In what furnace was thy brain?
What the anvil? what dread grasp
Dare its deadly terrors clasp?

When the stars threw down their spears
And water'd heaven with their tears,
Did he smile his work to see?
Did he who made the Lamb make thee?

Tyger! Tyger! burning bright
In the forests of the night,
What immortal hand or eye
Dare frame thy fearful symmetry?

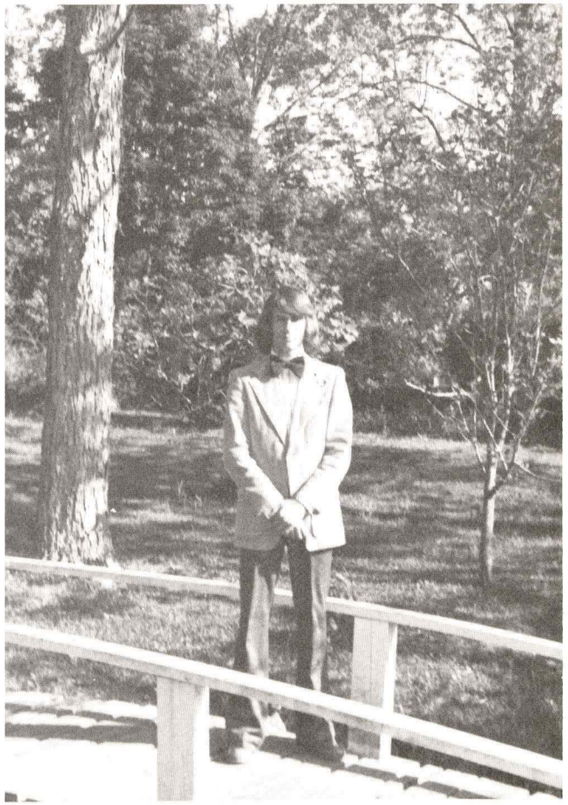
Reginald Bivins

Athletic, active and versatile are three words to describe Reginald Bivins, Mr. MPHS. He has proved his athletic ability by being a member of the basketball and football teams. Membership in the Spanish Club and the Afro-American Club show his activeness. His versatility is shown by his selection as Most Handsome as well as Mr. MPHS. Reginald is certainly deserving of the honor given to him as Mr. MPHS for 1974.

MR. MPHS

Jim Williams

A friendly smile, a cheerful "hello", and a tireless effort are only a few of the many outstanding characteristics that our Mr. MPHS, Jim Williams, possesses. Participating in most of our school activities certainly justifies his very versatile personality. His many activities include baseball, Jr. Civitan, Key Club, French Club, and Bi-Racial Committee. He was a member of the Carnival Ball Court for three years, serving as Arch Duke his senior year. A member of the cast of both the senior play and the musical, Jim also served as President of the Student Council his senior year. In the Who's Who, besides being chosen Mr. MPHS, Jim was selected as Best Personality and Most Likely to Succeed. And so a hearty salute to Jim Williams, Mr. Moss Point High School for 1974.



Wendy Wilkinson

MISS MPHS

Wendy Leigh Wilkinson showed her dedication and enthusiasm to MPHS by serving as a football cheerleader for three years and as the head cheerleader her senior year. Wendy was a class beauty her sophomore and senior years. She was homecoming queen in 1973. Wendy was quite active in the Student Council, the Bi-Racial Committee, National Honor Society and Youth Congress. She was also chosen as a member of the Hall of Fame. Wendy especially deserves this great honor--1974's Miss MPHS.

The tough decision was finally announced with Wanda Anne Gatlin reigning as Moss Point's Jr. Miss for 1974. Selected as first alternate was Barbara Head. Second alternate was Shelia Harrell while Wendy Wilkinson served as third and Kathy Wilson was fourth alternate.

Miss Elle Plainer was chosen by her fellow contestants as Miss Congeniality.

The Girls Sextet received a superior rating and the district festival and then competed in The Mississippi State Choral Festival in Vicksburg where they received an Excellent rating. This organization, under the direction of Mr. Doug Sullivan, has indeed brought much honor to themselves and to Moss Point High School.

Moss Point High School was proud of another accomplishment this year. For the first time in ten years, we produced a musical production. Involving the music department, the band, the art department and the drama department, the show was a tremendous success.

FOOTBALL 1973

Mrs. Joyce Goodin
Athletic Secretary

The 1973 Tiger Football team displayed a marvelous amount of that typical MPHS team spirit and sportsmanship in all games they played this season. The Tigers won the Jamboree by defeating Pascagoula and Gulfport East but were defeated in their first game by a very narrow margin by Biloxi. MPHS was well represented by good football and an outstanding team effort.

With team effort, the constant practice and a determined squad, the mighty Tigers took an impressive victory in the Jamboree. Defeating both Pascagoula and Gulfport East the Tigers showed that power, speed, and passing would be the to a winning season at MPHS. The Tigers demonstrated a competative spirit and strength which continued throughout the 1973 season.

The Moss Point Tigers had a tough season this year finishing with a 12-15 record. But the Tigers put forth 100% effort during the season and they are to be commended.

The 1973-1974 Tiger Basketball team was coached by Coach Randy Hodges and was assisted by Jesse Lacy. Although both coaches are new the leadership and sportsmanship they have displayed will never be forgotten.

DISTRICT VIII CHAMPS

Under the guidance of Coach Richard Niles the Moss Point Tigers completed one of their most successful seasons in recent years with a 12-3 won lost record against formidable South Big 8 opponents. Speed, poise, and determination characterized the Tiger's play opposite powerful teams throughout the '74 season.

The 1974 District VIII champions, were predominately juniors and sophomores and the experience gained by them this year should show up favorably next season.

Y-Teens is a national Christian organization for high school girls. The Moss Point High School chapter consists of approximately 50 girls. These girls have been active throughout the school year, especially earning money for their annual Farmer's Ball.

The theme for the 1974 ball was Barnyard Carnival. Becky Rockett was chosen as Queen Daisy Mae with George Prassenos as her escort. Duchesses were Phoebe Faggard and Ann Davis. Music for the court square dance and the dance following was furnished by Volta.

The National Honor Society is now in its third year at MPHS. It is chiefly a service club made up of students with an overall 90 average and high qualities of leadership, scholarship, service, and character.

Each year students are selected to be a part of NHS. Approximately 45 were selected as new members this year. They went through a week of initiation and were then formally initiated at a candlelight service held in the high school auditorium.

As a part of fulfilling their service goal, NHS participated in many functions. Student of the Month, Teachers' Appreciation Day, Homecoming Parade, Senior Banquet, Fund-Raising Projects, Boxes for the Needy, and community services such as Heart Fund, Cancer Society, and March of Dimes, are only a few of the many services they have performed this year.

During the 1973-1974 school year, the DECA Chapter (Distributive Education Clubs of America) was very active in local, district and state activities and competition. The club had several sales projects to make money for its activities. They sold wall calendars, candles, and football jerseys.

This year the club had two state officers: Debbie Vinson, state secretary, and Art Oliver, District-4 Vice-President.

At district competition in Hattiesburg, the club came away with several winners. Steve Frye won first place in Sales Demonstration, Jacqueline Lett won second place in Window Display, and Bill Firth won third place in Advertising.

At the state conference in Biloxi, the club had several winners again. Jacqueline Lett son first place in Window Display, giving her the right to compete in the National Conference in Chicago, Illinois. Audrey Vinson was elected State Secretary, and Glenn Lynd was elected District-4 Vice-President.

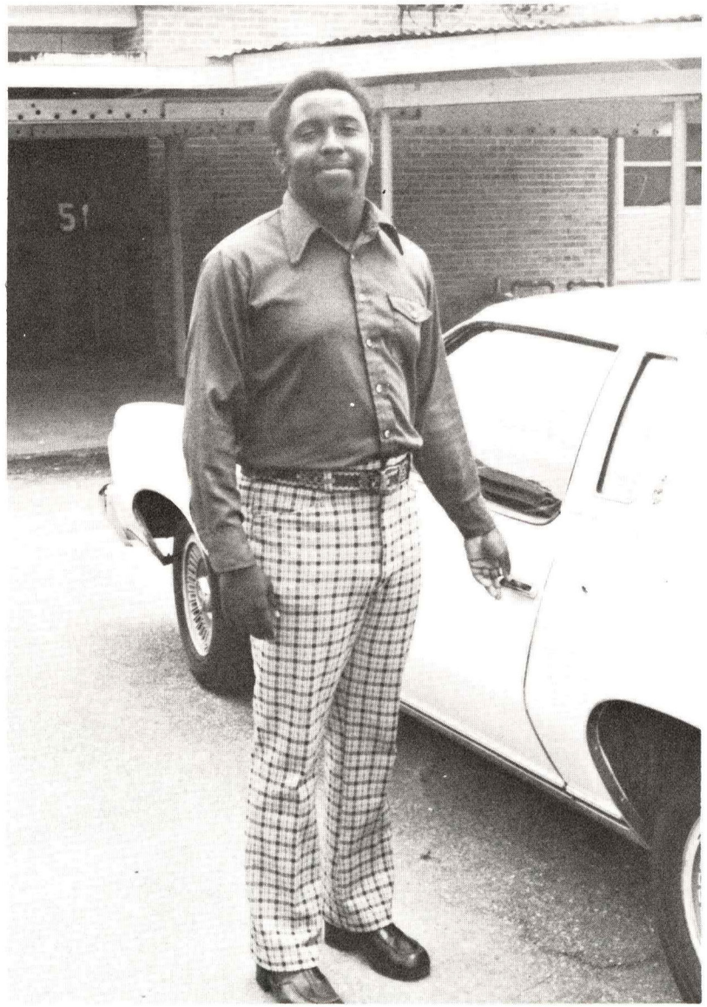
Teacher of the Year

Mr. Glenn Brantley



The teacher of the year award is sponsored annually by the Student Council. Selection is based on the teacher's knowledge of his subject, his ability to communicate with his students, his concern for students and their special problems, his willingness to participate in activities outside the classroom, and his general effectiveness as a teacher. The honor is given to the teacher most representative of these ideals.

Chosen by the Student Council to receive the honor of Teacher of the Year for 1973-74 was Mr. Glenn Brantley. A first year teacher at Moss Point High School, Mr. Brantley is well deserving of the honor. A junior class sponsor, he also helped to organize and sponsor the Junior Engineering and Technical Society as well as the Moss Point Cultural Society. He has certainly shown his interest in the extracurricular activities of our school.

As a teacher of Chemistry, he has demonstrated his knowledge of his subject. His students will attest to his knowledge as well as to his ability to communicate with his students and his effectiveness as a teacher. He has a sincere interest in all his students and always strives to make science interesting to them.

Certainly Mr. Brantley is well-deserving of the distinguished award.

1974 Growler Dedication

Miss Amelia "Boo" Turner

The 1974 Growler Staff proudly dedicates this year's annual to a person who has dedicated her time and talent to the students of Moss Point High School. Since she first began her teaching career here, she has given untiringly of her time, talents, and abilities to the betterment of our school.

Without her we would never have had sets or backdrops for pageants, our Tiger Flash would never have so successful, and we would know less of the Fine Arts.

In her classroom she inspired her students by her fine artistic ability. By encouraging them to develop their talents, she made their lives more enjoyable. Her ready wit and appealing way of presenting subject matter, as well as her air-conditioned classroom, made her class the highlight of the day.

As both teacher and friend, she urged us to ascend to greater heights in scholastic and extra-curricular activities . . . but never minimized the task before us. She encouraged us, struggled with us, then shared with us our pride in achievement.

In our fondest memories of Moss Point High School, she will stand out as one who has helped to make our high school years happier and more fruitful.

It is with pride and honor that we dedicate this our 1974 Growler to Miss Amelia "Boo" Turner.
